**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

Claim 1 (currently amended): A combination candle and incense holder comprising:

a vertically disposed portable base having an inner surface that is configured to be capable of accommodating a candle from the top portion of said base and that is configured to be capable of accommodating a receptacle through an aperture in said base; ~~and~~ and

a removable receptacle disposed in said aperture on a wall of said base that is capable of receiving an ignitable fragrant solid or an ignitable fragrant oil.

Claim 2 (currently amended): The combination candle and incense holder of claim 1 further comprising a receptacle mounted on the top portion of ~~the housing~~ said base that is capable of receiving an ignitable fragrant solid or an ignitable fragrant oil.

Claim 3 (original): A combination candle and incense holder of claim 1 wherein the base is further comprised of an air well disposed in said base for passage and escape of air from said receptacle.
